Figure showing histograms of similarity between Scopus label and k-means clustering results across decades: 1950s (0.52), 1960s (0.59), 1970s (0.62), 1980s (0.67), 1990s (0.66), 2000s (0.66), 2010s (0.64). The x-axis is labeled "Similarity between Scopus label and k-means clustering results" and the y-axis is labeled "Frequency".
